- Size F-5 (3.75mm) crochet hook
or size to obtain gauge
- Tapestry needle

GAUGE:

Motif = 2 x 2" (5.1 x 5.1cm) across

Exact gauge is essential for your
project to be proper size. As you
begin your project, make a sample
swatch per the instructions using
the recommended yarn and hook.
After you complete the swatch,
measure it, counting your stitches
and rows carefully. If your swatch
is larger or smaller than specified,

change the hook size and make
another swatch to get the correct
gauge. Keep trying until you find
the hook size that will give you the
specified gauge.
