YOU WILL NEED:

- Size G-6 (4mm) crochet hook or size to obtain gauge
- Yarn needle

GAUGE:

6 petals and 6 rows = 4" (10.2cm) in pat
Exact gauge is essential for your project to be proper size. As you begin your project, make a sample swatch per the instructions using the recommended yarn and hook. After you complete the swatch, measure it, counting your stitches and rows carefully. If your swatch is larger or smaller than specified, change the hook size and make another swatch to get the correct gauge. Keep trying until you find the hook size that will give you the specified gauge.

STITCH GUIDE:

Chain (ch), slip stitch (sl st), single crochet (sc), half double crochet (hdc), double crochet (dc), treble crochet (tr)

petal: (Yo, insert hook into fourth ch from hook, yo and draw through a lp, yo and draw through 2 lps on hook) twice, (yo and draw through 2 lps on hook) twice.

trtr (treble-treble crochet): Yo 4 times, insert hook into indicated st, yo and draw through a lp, (yo and draw through 2 lps on hook) 5 times.

PATTERN NOTES:

- Cowl can easily be wider or narrower by beg with any even number of petals.
- Remember that making the cowl wider may require additional balls of yarn.
- Keep the trtr at the end of each row loose to allow cowl to drape naturally.
- The cowl will block better if first blocked before the Joining Row, then blocked again after edging is added.
