FINISHING MATERIALS

- Two 5"-diameter circles of mat board
- 8" square of black fabric
- 8" square of cotton batting
- 16" length of black mini pom-pom trim
- 12" length of 5/8" ribbon
- Basting spray
- Clear quick-dry craft glue

GENERAL INSTRUCTIONS

Center the design and begin stitching. Work cross-stitches with two strands of cotton embroidery floss or DMC® Light Effects floss. Work backstitches with one strand of DMC Light Effects floss. Use a pressing cloth to carefully iron the needlework from the back before finishing.

FINISHING INSTRUCTIONS

Center and trim the needlework to within 2" of the stitching on all sides. Cut a circle of black fabric the same size as the needlework. Lightly spray one of the mat board pieces with basting spray and place glue-side down on the cotton batting. Trim batting to the edges of the board. Mount the needlework on the piece of batting-covered board. Use craft glue to adhere the edges of the fabric to the back.

Use basting spray to mount the black print fabric to the remaining piece of trimmed mat board. Glue the edges to the back. Glue the ends of the ribbon 2" apart at the top of the wrong side for a hanger.

With wrong sides together, glue the front and back pieces together. Glue the mini pom-pom trim around the piece to cover the seam.
